

HEALTHCARE AUTOMATION

GIVING YOU TIME TO CARE

TAKE THE PAIN OUT OF YOUR PROCESSES WITH VIRTUAL WORKERS

We've automated processes to a wide range of clients and have built a catalogue of processes that are prime for you to automate. While our catalogue is extensive, it is not exhaustive, so if you don't see the process you are looking for – either click below to review your process or get in touch with us, and we'll take a look for you.

HEALTHCARE PROCESSES

- Patient registration
- Claims administration
- Member management
- Provider management
- Data migration
- Drug registration
- Fraud prevention
- Customer complaints
- Data cleansing
- Health & care management
- Administration
- Reporting
- System integration
- Supplier portal creation
- Overpayment reconciliation
- Revenue cycle management
- Pre-Authorisation of services
